CAKE TASTING PACKAGE

\$65 Cake Tasting Box To-Go:

We never compromise on taste or flavor and use nothing less than top-quality, fresh ingredients. Our curbside cake tasting boxes are exclusively for clients interested in sampling our flavors for a wedding cake tasting experience before booking. We carefully curate a selection of our top nine wedding cake flavors from our most popular flavor pairings menu. Of which you can choose six flavors for your cake tasting experience. You may also choose more flavors for an additional fee. Please let us know if there are any known food allergens, such as egg/nut allergies. This service is available for pick-up by appointment only bi-weekly.

DESIGN CONSULTATION AND CONTRACT

Once you are happy and want to proceed with us, we will provide you with a contract detailing the total cost minus any fees paid (cake tasting) and send you our terms and conditions. We require a \$300 non-refundable retainer fee and a signed contract to reserve your date on our calendar. Once both are received, and your date is confirmed, we can then move forward with your cake design!

Whether you already have some ideas in mind of what designs you'd like or are starting with a blank canvas. We will make the design process fun and stress-free. We offer virtual design meetings via phone, email, FaceTime, or Zoom. It can take up to 72 hours, for us to produce a detailed cake sketch immediately after the design consultation.

TESTIMONIALS

Genesis R

I couldn't have chosen a better vendor for my wedding cake! The design was much more perfect than expected, and the cake!? omg, absolutely DELICIOUS! I chose the Mango Tango for my guests and they LOVED it just as much as me. The communication was consistent as well. You will not be disappointed choosing this team!

Suzanne

The cake was an absolute hit! It was so beautiful and it was also delicious...in fact almost everyone there went out of their way to tell me how amazing it was. I'm so happy that I chose your bakery and thanks for making everything work out so perfectly.
